

REMARKS

The specification has been amended to recite the claim to priority. Specifically, the specification has been amended to indicate that the present application is a divisional of U.S. application Serial No. 09/829,711, filed April 10, 2001, which claims priority to U.S. application Serial No. 60/195,465, filed April 10, 2000. Applicants respectfully assert that the amendments to the specification do not constitute new subject matter.

Applicants have canceled claims 1-5, without prejudice to Applicants' right to pursue the subject matter of the canceled claims in related applications. Applicants have also amended claim 6 to incorporate the word "and". Accordingly, upon entry of this Amendment, claims 6-10 will be pending in the resent application.

Entry of the foregoing amendments and consideration of these remarks is respectfully requested.

Respectfully submitted,

Date: August 5, 2003
